

Authentication

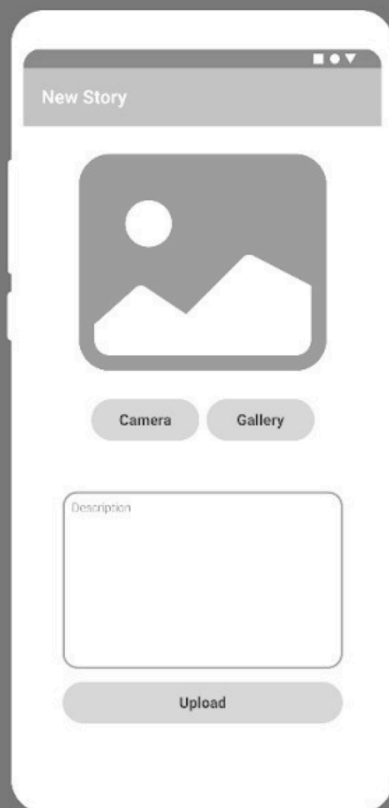

A mobile app screen for authentication. At the top is a circular profile icon placeholder. Below it are two short horizontal bars for name and last name. Then are two input fields labeled "Email" and "Password". At the bottom is a "Sign In" button.

List Story

A mobile app screen titled "Story". It displays a vertical list of three story items. Each item consists of a large rectangular image placeholder and a caption area with three horizontal bars.

Add Story

A mobile app screen titled "New Story". It features a large image placeholder with a camera icon. Below the image are two buttons: "Camera" and "Gallery". Underneath is a text input field labeled "Description". At the bottom is an "Upload" button.
